GOVERNMENT OF PUDUCHERRY
DIRECTORATE OF SCHOOL EDUCATION
(SECRETARIAT WING)

(G.O. Ms. No. 76, dated 18th March 2015)

ORDER

In exercise of the powers conferred by sub-section (1) of section 23 of the Right of Children to Free and Compulsory Education Act, 2009 (RTE Act, 2009), the Central Government has authorised the National Council for Teacher Education (NCTE) as the academic authority to lay down the minimum qualifications for a person to be eligible for appointment as a teacher *vide* their notification No. S. O. 750 (E), dated 31st March 2010.

2. Accordingly, the National Council for Teacher Education *vide* its notification No. 61-3/20/2010/NCTE/(N&S), dated 23rd August 2010, has laid down the minimum qualifications for a person to be eligible for appointment as a teacher in class I to VIII in a school referred to in clause (n) of section 2 of the RTE Act, 2009. One of the minimum qualifications prescribed by the National Council for Teacher Education is that he/she should pass the Teacher Eligibility Test (TET) which will be conducted by the appropriate Government.

3. The National Council for Teacher Education has further communicated broad guidelines for conducting Teacher Eligibility Test *vide* their letter No. 76-4/2010/NCTE/Acad, dated 11-2-2011. The said guidelines have given liberty to State Government / Union Territory with legislature to consider the Teacher Eligibility Test conducted by another State/Union Territory with legislature. It has also been stipulated that the State/Union Territory would consider the Teacher Eligibility Test conducted by the Central Government in case it decides not to conduct its own Teacher Eligibility Test. Further, as per the National Council for Teacher Education guidelines, Governments may consider giving concessions to persons belonging to SC, ST, OBC, Differently-abled persons etc. in accordance with their extant reservation policy.

4. As the Union territory of Puducherry does not have a Board of Education of its own, Puducherry and Karaikal regions are following the curriculum of Tamil Nadu, while Mahe and Yanam regions are following the curriculum of Kerala and Andhra Pradesh respectively. Considering this, the Director of School Education had proposed to recognise the Teacher Eligibility Test conducted by the Governments of Tamil Nadu (TNTET), Andhra Pradesh (APTET) and Kerala (KTET), in addition to the Central Teacher Eligibility Test (CTET) conducted by the Central

Board of Secondary Education (CBSE). Accordingly in principle approval was accorded for considering, Tamil Nadu Teacher Eligibility Test, Kerala Teacher Eligibility Test, Andhra Pradesh Teacher Eligibility Test and Central Teacher Eligibility Test for the purpose of appointment in this Union Territory.

5. Now, the Director of School Education has stated that the Governments of Tamil Nadu, Kerala and Andhra Pradesh have prescribed different qualifying marks for considering a person Teacher Eligibility Test passed and that the Central Board of Secondary Education, which conducts Central Teacher Eligibility Test, has left the decision to the recruiting authorities concerned.

6. The Director of School Education has further explained the practical difficulties involved in considering all the Teacher Eligibility Tests in view of the different qualifying marks prescribed in each Teacher Eligibility Test, as listed below:

(i) There is no uniformity in qualifying marks for various reserved categories in the Teacher Eligibility Tests conducted by Tamil Nadu, Kerala and Andhra Pradesh as they have prescribed their own qualifying marks depending upon the situation prevailing there.

(ii) Difference in qualifying marks for reserved categories in each region of this Union Territory has led to alleged discrimination.

(iii) The Government of Andhra Pradesh has converted the Andhra Pradesh Teacher Eligibility Test as Teacher Eligibility Test-*cum*-Teacher Recruitment Test and resultantly candidates from Yanam region are not allowed to appear for Andhra Pradesh Teacher Eligibility Test.

(iv) Absence of orders clearly specifying the applicability of Teacher Eligibility Test gives liberty to job seekers to draw their own inference.

7. Therefore, the Director of School Education has submitted a proposal to recognise and consider only the Central Teacher Eligibility Test conducted by the Central Board of Secondary Education for the purpose of appointment in the Union territory of Puducherry for the following reasons:

(i) Central Teacher Eligibility Test is conducted on all India basis with a uniform syllabus.

(ii) It is conducted twice in a year regularly.

(iii) Central Teacher Eligibility Test has been made applicable to schools of the Central Government (KVS, NVS, Central Tibetan Schools, etc.) and schools

under the administrative control of Union territories of Chandigarh, Dadra and Nagar Haveli, Daman and Diu and Andaman and Nicobar Islands, Lakshadweep and NCT of Delhi.

(iv) The Central Board of Secondary Education has left the issue of fixing qualifying marks to the recruiting authorities concerned and hence, there may be no legal impediment in fixing our own qualifying marks.

(v) Government orders have already been issued to introduce Central Board of Secondary Education syllabus in a phased manner from this year and accordingly Central Board of Secondary Education syllabus has been introduced in I standard in all Government schools in all the regions and hence it would be apt and appropriate to consider Central Teacher Eligibility Test in this Union Territory.

8. The Director of School Education has further proposed to prescribe qualifying marks in Central Teacher Eligibility Test for various categories as follows:

Sl. No. (1)	Category (2)	Qualifying marks (3)
1	General Category	60% (90 marks)
2	Most Backward Class	55% (82 marks)
3	Extreme Backward Class	55% (82 marks)
4	Other Backward Class	55% (82 marks)
5	Backward Class Muslim	55% (82 marks)
6	Scheduled Caste	50% (75 marks)
7	Backward Tribe	50% (75 marks)
8	Differently-abled persons	50% (75 marks)

9. It has been further suggested that all those who have already appeared for Tamil Nadu Teacher Eligibility Test, Kerala Teacher Eligibility Test and Andhra Pradesh Teacher Eligibility Test may be considered eligible till the validity period of the certificates, which is seven years as per National Council for Teacher Education norms, provided they have scored the marks prescribed above. If they have not obtained the minimum qualifying marks, they should appear for Central Teacher Eligibility Test only in future for the purpose of employment in this Union Territory. It has also been suggested that those who have appeared for Central Teacher Eligibility Test and obtained the minimum qualifying marks as above need not appear again for Central Teacher Eligibility Test and those who have failed to secure the abovesaid marks may appear for Central teacher Eligibility Test to qualify themselves.

10. After careful consideration of the proposal, and except as respects things done or omitted to be done before such order, the Lieutenant-Governor is pleased to order that hereafter, only the Central Eligibility Test (CTET) conducted by the Central Board of Secondary Education (CBSE) shall be considered recognised for the purpose of appointment as teacher in class I - VIII in the Union territory of Puducherry.

11. The Lieutenant-Governor is pleased further to prescribe the qualifying marks in Central Teacher Eligibility Test for various categories of persons in the Union territory of Puducherry as follows:

Sl. No. (1)	Category (2)	Qualifying marks (3)
1	General Category	60% (90 marks)
2	Most Backward Class	55% (82 marks)
3	Extreme Backward Class	55% (82 marks)
4	Other Backward Class	55% (82 marks)
5	Backward Class Muslim	55% (82 marks)
6	Scheduled Caste	50% (75 marks)
7	Backward Tribe	50% (75 marks)
8	Differently-abled persons	50% (75 marks)

12. It is further ordered that those who have already appeared for Tamil Nadu Teacher Eligibility Test, Kerala Teacher Eligibility Test and Andhra Pradesh Teacher Eligibility Test may be considered eligible till the validity period of the certificates, *i.e.* for seven years, as per National Council for Teacher Education norms, provided they have scored the marks prescribed above. If they have not obtained the minimum qualifying marks, they should appear for Central Teacher Eligibility Test only in future for the purpose of employment in this Union Territory. Those who have already appeared for Central Teacher Eligibility Test and obtained the minimum qualifying marks prescribed above need not appear again for Central Teacher Eligibility Test and those who have failed to secure the abovesaid marks may appear for Central Teacher Eligibility Test to qualify themselves.

13. This order takes prospective effect only and the past cases decided otherwise shall not be reopened.
